## Friends of the Library: The Hugger Hat Project

The winter months are here, the clocks have changed, and people are coming inside earlier. The Friends of the Library need more volunteers for the Hugger Hat Project. All of the yarn is donated and we provide the loom if you need one. Do you know how to knit? That is great! If you don't know how to knit, that is great too!

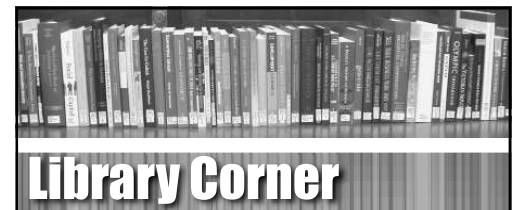

Please contact Carol Chapman at 541-408-2642 for more information.

## Help Fill a Local Need: Volunteer Your Time

Submitted

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.<sup>25</sup>

## Library News

Are we having some crazy weather or what? The garden in front of the library was yummy with plans for different veggies next year. The Friends will be at the Bazaar with some great books and stuff. Stop by. Say, "Hi!" And maybe you can find a thing or two that has got to go home with you! Things at the library are going great with some changes afoot, so stay tuned!

## Look What Santa Brought!!

After 2 years of hard work, the North Lake Health District Board of Directors were delighted to see these crates arrive. They don't look too impressive yet, but inside these boxes is the new x-ray equipment we've been diligently working to bring to the residents of

Christmas Valley. Busy with the holidays, we understand why Santa had to stack them in the hallway and x-ray room, but we anticipate some of the elves will be freed up mid-January to assemble the equipment and conduct the training needed to put the equipment to good use. What a welcome gift to our community.

A BIG shout out to the NLHD Board for all their hard work!

## LIBRARY HOSTS EXHIBIT AND FILM ON JAPANESE INTERNMENT

LAKEVIEW, Ore.—December 22, 2017—*Architecture of Internment: the Build-up to Wartime Incarceration* exhibit comes to Lake County January 12 through February 13, 2018. These free, public events also include a screening of the short film *What It Means to be Free*. The exhibit and film will be in available in Lakeview, Paisley, and Christmas Valley as well as taken to area high schools. *Architecture of Internment* is a Graham Street Productions exhibit presented by Lake County Library District and the Rural Organizing Project.

This traveling exhibit highlights the role of Oregonians in the decision to incarcerate Japanese Americans and Japanese immigrants. Over 120,000 people of Japanese

ancestry, two-thirds of them U.S. citizens, were incarcerated during World War II. Personal letters and proclamations from Oregonians to Governor Sprague in 1941 and 1942, advocating for the exclusion and incarceration of Oregonian Japanese Americans, as well as blueprints of potential “Assembly Center” and “Relocation Camp” locations such as racetracks and fairgrounds, and letters from Japanese Americans expressing their outrage about the injustice of internment will be on display.

*What It Means to be Free* is a video interview with former Oregon Poet Laureate Lawson Inada. As a child, Inada was one of the youngest persons sent to internment camps during World War II. The experience has been a major influence on his poetry. Each film screening will be followed by a discussion.

**In Christmas Valley**, the exhibit opens at the Community Hall on January 20, 2018, at 1:30 PM for public viewing with the film screening at 3:30 PM. In Paisley, the exhibit opens at the Paisley School cafeteria on January 22, 2018 at 8:30 AM with the film screening at 10:30 AM. In Lakeview, the exhibit will be on display at the Main Library from February 5-9, 2018, and the film screening date and time is to be determined.

For questions about the program or more information about the library, contact Library Director Amy Hutchinson at 541-947-6019 or amyh@lakecountylibrary.org. ## Box Tops For Education

*Stephanie Strickland*

My name is Stephanie Strickland. I am the sixth grade teacher at North Lake School, and I'm thrilled to be our school's Box Tops for Education™ Coordinator.

Clipping Box Tops is an easy way to help earn cash for our school. Each one is worth 10¢ for our school! Just look for the pink Box Tops on hundreds of products. All you have to do is clip them and send them to school.

Each classroom will be collecting filled collection sheets and/or trimmed box tops, so send them in with your student at any time. For more information on Box Tops go to [www.BTFE.com](http://www.BTFE.com). Be sure to sign up as a member (it's free!) so you can check out our school's earnings details and get access to coupons and bonus offers.

North Lake School has been without a Box Tops coordinator for a few years, and even so, we had \$64.00 worth of box tops to send in on November 1, 2017 submission day. With your help, I am sure we can reach \$1000.00 by the next submission date on March 1, 2018.

If you have any questions, please don't hesitate to contact Roxanne Hand or me. We are here to help make our school's Box Tops for Education™ program a huge success.

Thanks for your help!

### Policy: Animals on Park and Rec Properties

North Lake Park and Rec

North Lake Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on North Lake Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, ect.) all domestic animals, whether pets, livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler. Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property.

Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

### Highlights from this week's Recreation Report:

Winter trout fishing

Don't let your trout fishing season end just because the cold weather has arrived. Here are just some of the weekend opportunities from this week's Rec Report:

Several ponds and lakes in the Willamette Zone just took delivery of large brood trout.

**In the Southeast Zone, the Ana River has been kicking out trout in the 12-to 16-inch range. The Blitzen also has great year-round fishing.**

Expo and Reinhart ponds in the Southwest Zone were recently stocked with legal and larger trout last week.

The Central Zone has several popular winter trout fisheries including the Deschutes, Fall, and Metolius rivers. Also the Crooked River, which has rebounded in 2017.
