BLM Announces Public Meeting on Sage-Grouse

Submitted by Maria Thi Mai, BLM

The Bureau of Land Management will host a public meeting to solicit comments and provide information on Greater Sage-Grouse land management issues. As stewards, the BLM manages public lands for the benefit of current and future generations, supporting conservation as we pursue our multiple-use mission. The meeting will be held on November 7th, 2017 in Burns, Oregon at the Harney County Community Center, 484 N Broadway Avenue from 5 - 8 p.m.

The meeting will begin with an overview followed by an open house. Participants will be encouraged to speak with BLM staff on various topics related to the Greater Sage-Grouse. In addition to comments on the issues and planning criteria, the BLM would like to receive comments on whether the planning effort should occur through state-by-state amendment processes and decisions.

In accordance with the October 11, 2017 Notice of Intent, the BLM seeks comments on the Sagebrush Focal Area designation, mitigation standards, lek buffers, disturbance and density caps, adaptive management, and any other topics identified at the state or local level. The potential planning effort does not preclude the BLM from addressing issues and inconsistencies through other means, including policy, training, or plan maintenance, nor does it commit the BLM to amending some, all, or none of the Greater Sage-Grouse plans.

Participants will have the opportunity to provide written comments during the meeting, online at: <http://bit.ly/GRSGplanning>. Comments can also be submitted via email at: BLM_sagegrouseplanning@blm.gov

The BLM manages more than 245 million acres of public land, the most of any federal agency. This land is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield.

Back in Thyme Herbals: Making Herbal Sachets

By Linda McCoslin - Regular Contributor to DESERT WHISPERS

Christmas is just around the corner. Some of you may want to give your friends and loved ones a special handmade gift this year. Herbal sachets and pillows are easy to make and are so good for you, health-wise. They make the perfect gift.

Start by finding some gauze, linen, or cheesecloth. You need a fabric that will let the aroma out. Measure squares about 5 inches around and firmly sew three sides together, leaving one side open for filling with your favorite herb or combination of herbs. Use crumbled herbs, not powdered. Stuff the sachet pouch as full as possible. Sew up the open end. For sleep mixtures, to put under a pillow, add a few drops of rose oil or lavender oil. This will keep the herbs from crackling inside it. Make an outside cover as attractive as you want using cotton, linen, silk, or any other fine fabric through which the scents can pass. Choose soft colors, plains or prints, or even embroider your own design. The advantage of the slip cover is that it can be easily washed and changed so it doesn't disturb the herbs inside.

Basic herbs for scented cushions are peppermint, sage, lemon balm, and lavender, to which you can add dill, thyme, marjoram, woodruff, angelica, rosemary, bergamot and lemon verbena. Actually, any scent you enjoy or that relaxes you, can be added. Get creative with your aromas to make the smell you like! Headache cushions use equal amounts of peppermint, spearmint and eau-de-cologne mint with bergamot, and one tablespoon of crushed orris root as the fixative. Fill the cheesecloth, or muslin and use a slip cover of soft green printed cotton. The color will enhance the soothing nature of the cushion.

A simple cushion of hop cones sprinkled with a few drops of vodka makes a good little pillow for those who cannot sleep or who suffer from asthma. For a lovely scented lemon cushion, mix one part each of lemon balm, costmary and lemon thyme with two parts lemon verbena for a nice fresh scent. Add a trace of valerian if you like, but not so much that it overpowers the other scents. For spice scented cushions, use equal quantities of rose petals, rosemary and spearmint with a few crushed cloves. You can make your

cushions look like hearts, diamonds, alphabet letters or any shape you desire.

In the past, these little cushions were often used in dresser drawers, on linen stacks, or just on the shelves for fresh aromas in the room. I remember them around our house when growing up, and how the house always smelled good, and kept away musky smells. They can also work for moth control. My mom would put one in her bath once in a while to help her skin and to relax her!

I hope some of you have fun creating them. They can really improve one's moods, given the right mixture of herbs!

Enjoy!

Mercy Flights Prepared For Second Year

1967 Christmas Valley Gazette

Lake County Mercy Flights has made 30 emergency air ambulance flights from July 22 of last year to the present, the board of directors was told Monday, June 12, by the president. Choc Shelton, at the corporation's annual meeting at the Conn & Lynch law offices. Shelton was re-elected president, Dr. William Strieby, vicepresident, and T. R. Conn, secretary. The board elected Dick Lennie treasurer and Jim Lampkins, assistant treasurer. Other board members are Carter Fetsch and Alan Withers.

Shelton said the flights were made as far south as Phoenix, Ariz., and north as far as Portland, with many to points in between. Most of the patients were members, who can fly a maximum of 400 miles without charge, but Mercy Flights realized \$2200 income from non-members who are charged \$1 per mile. Membership is now about 1025, and with the annual payment date coming up on August 1, renewal payments are being received at the Chamber of Commerce office at the rate of 25 to 35 per day. Initial membership and dues for a year is \$20, and the subsequent annual fee is \$10. New memberships, now restricted to Lake County, are coming in almost every day.

About 100 hours flying time has been put on the plane, and it is in first class condition with new radio, de-icing equipment and other improvements. A hangar for the plane has been built at the airport, and no major expenses are seen for the future.

Library Grand Opening

1987 Desert Whispers Staff

The Grand Opening of the Christmas Valley Library was held Oct. 5 from 2-6 P.M.

Commissioners Jim Ogle, Harold Gipson and Art Sheer were present along with the Lake County Library Board members Ellen Withers, Don Liddycoat, Jess Knaught, Stan Wonderley, Sally Fitzgerald and Laura Parks. Also present were librarians Alene Schultz of Paisley, Delia Mae Lowe of Silver Lake, Vema Price of Lakeview and Barbara Remy of Christmas Valley.

The Christmas Valley Friends of the Library planned the celebration and supplied the food and helped hostess the event. The Christmas Valley librarian reported 63 people signed the guest book.

Christmas Valley Park & Recreation District bought the building from the Rajneeh in June of 1986 for \$10,000. In the interim, the building has been put permanently in place and improvements made to bring it up to code. The Park & Recreation District also supplies heat and electricity while the county library supplies the librarian, phone and supplies as the book drop and shelving.

Library hours are Monday 1-5 p.m., Wednesday 10-3 p.m., Friday 1-5 p.m. and Saturday 1-3 p.m.

Grand Opening: North Lake Health Center

From 2007, by Mark Swisher

A dream came true for many folks when our new North Lake Health Center building was dedicated on October 11, 2007. Alan Parks, Chairman of the Board of North Lake Health District, gave opening remarks and introductions. This new facility serves a medically underserved Frontier area of approximately 250 sq. miles. From the Health Center it is approximately 100 miles to the nearest hospital. He spoke about how this facility will help people remain in the community who might otherwise have to move away for their medical care. It has become part of the infrastructure supporting a local economy, and can grow as the community increases.

Set under brisk fall weather before an outdoor dais, speakers included Dr. Bruce Carlson, MD who leases the clinic and manages it; Paul McGinnis of the Oregon Rural Practice-Based Research Network who was instrumental in providing early support for health care in rural Lake County; Commissioner Brad Winters of Lakeview who offered encouragement and support; Shilo Spurlock of South Central Oregon Economic Development Department was the grand administrator for the federal block grant, matching funds, and funding from the private foundations; and Carl Shumway, Board Vice President and Chairman of the Building Committee who worked with the architect and contractor to see the building to completion.

Many local people were mentioned for their role in making this project happen. Some of them are no longer with us. Margaret Spry was one of the first persons to promote the idea of a local health care provider, and she gave half the land where the Health Center now stands. Kathy Cornell provided early inspiration and direction. Judy Lynch had a clear vision of what was needed and helped carry the workload. Former Board Members Teresa Foster and Patsy Carlon were always there to provide support and direction. Current Board Members Alice Dinsdale and Kathie Weaver helped carry this project to completion.

Historical Society Annual Membership Meeting

Submitted by Jana Kittredge

The annual Membership Meeting of the Fort Rock Valley Historical Society will be held at 10:00am on Tuesday, November 14, 2017 at the Fort Rock Homestead Village Museum in Fort Rock, Oregon. The purposes of this meeting are to accept nominations from the membership for the board of directors, and as at all board meetings, to hear about issues of encouragement or concern from members.

We are seeking two board members for positions open for election; Two three-year positions. The terms for each begin January 1, 2018. You must be a current member to vote and serve on the board. All current members are welcome to attend! If you are interested, you can become a member. It's

a great way to volunteer and help preserve the history of our area.

The Fort Rock Valley Historical Society was awarded a history grant through the Oregon Cultural Trust/Lake County Cultural Coalition to help pay wages for our hosts as they educated visitors of the history of the homestead era and our area this past season. Over 2000 visitors came through our museum! The museum is now closed for the season.

North Lake FFA Brings Home a Blue Banner from the 2017 State Soils Competition

Violet Wilson - North Lake FFA Reporter

On October 15th the North Lake FFA soils team traveled to Elkton, Oregon to compete in the 2017 State Soils Competition. Day one consisted of practicing on test pits at Diamond Lake and in the Sutherlin area. Then, day two was competition time. Our advanced "A" team included: Levi Waldron, Jessica House, Jill Rudolf, and Lance Schilperoort. The beginning "B" team members were: Austin Murphy, Joe Worden, Tony Anderson, and Ella Pierson. Trent Tobison, Justin Sharp, and Zeb Schilperoort attended as alternates.

The Advanced Team placed seventh overall with a 321 score. Sutherlin High School won first place in the advanced category with a 348 score. Rogue River's team took second with a 340 score. Central Linn came in third with a 332 score and fourth place went to Oakland's team. Our "B" team had the 5th highest overall score with 330 points. In the Beginning team contest

North Lake took first place. Central Linn's beginners placed second with a 323 score. Third place went to Sutherlin's team with a score of 320. Bonanza came in fourth place with a score of 306. North Lake junior, Austin Murphy had the highest overall individual score in the state with 116 points. All of our members did a great job and we are proud of them for bringing home another blue banner!

Individual Scores:

- Austin Murphy - 116
- Zeb Schilperoort - 109
- Lance Schilperoort - 107
- Levi Waldron - 106
- Jill Rudolf - 104
- Big T Tony Anderson - 104
- Jessica House - 104
- Trent Tobiasson - 104
- Joe Worden - 103
- Ella Pierson - 99
- Justin Sharp - 86

ABOVE - Focused on the task at hand, **Levi Waldron**, and **Jill Rudolf** on the day of competition.

LEFT - **Jessica House** was one of four North Lake competitors to score 104 points.

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.²⁵

Special Transportation Program is Available

Submitted

Transportation is available for senior/disabled/low income residents of North Lake County for medical, recreational, shopping, visiting family and various needs through a "dial-a-ride" type system to the areas of Bend, Klamath Falls & surrounding communities.

For medical or social transportation, call **541-576-4689**. Allow 5 days advance notice for us to set up a driver (unless it's a special medical circumstance). If transportation is of a social nature, we must transport a minimum of 3 people for the event.

All rides must have a Senior or Disabled person being transported. Please call and check on posted dates to make sure there is room in the car. If not, you may be asked to go on another date that has room. See scheduled trips posted locally. Please call if you have any questions.²⁵

ODF: Fire Season Ends in Klamath & Lake Counties

Oregon Department of Forestry

Contact: Dennis Lee Randall Baley

Klamath and Lake Counties' 2017 Fire Season is officially ended Friday, October 20, 2017 at 12:01 am. "Fire Season" for the area has been in effect since June 5th. During the 2017 season, the Klamath-Lake District has documented 129 fires that burned approximately 1,937 acres on ODF protected lands. For the ODF Klamath-Lake District, just about half of the total number of fire starts came from numerous summer lightning storm events. The other half were human caused ignitions.

Fire managers from the Klamath-Lake District, Oregon Department of Forestry [ODF], in cooperation with other local wildland fire agencies and structural fire departments, would like to remind the public that just because fire season has been terminated, fire starts and spread may still occur under the right conditions. Please continue to use fire safe practices all year-round.

The ban on Open Debris burning in Klamath and Lake Counties is being lifted. Check with your local rural structural fire district for burning and permit regulations within their districts and ALSO the county health departments for air quality restrictions.

Debris Burning Reminders:

- Burn only during daylight hours.
- Burn in cleared areas.
- Burn in 'no wind' conditions (0-7 mph).
- Burn only when meeting Air Quality guidelines.
- Burning of large slash piles should be delayed until more moisture has hit the area.
- Burn only when a responsible person can be in attendance with a shovel and water supply.

Landowners need to remember that any burning escaping their control is their liability and they could be billed for any fire suppression costs. Be cautious, be fire safe.

The Oregon Department of Forestry, Klamath-Lake District, do not issue or require burn permits on lands solely protected by them when fire season is not in effect. Please be aware that a PDM is still required for all harvest activity burning.

Road/Trail Closures Lifted

Fremont-Winema National Forest

All trails and roads closed on the Klamath Falls Ranger District of the Fremont-Winema National Forest during the Blanket Creek and North Pelican Fires are open.

"Because of the hazardous conditions created by these wildfires, it was imperative to restrict public access to those areas," said Klamath District Ranger Heather Berg. "Some smoke or burning roots may still be visible, but we're confident these hot spots will not threaten the fire perimeters. When traveling through recently burned areas, take great care to be aware of tree snags, debris, stump holes, and possibly flash flooding during heavy rains."

Due to the Blanket Creek Fire, Trail 3703 was closed on September 24. Also, Forest Service Roads 3282, 3228, 3208 and 3134 had restricted access. The same day, in the North Pelican Fire area, Forest Service Roads 3519, 3500350, 3556, 3651, and 3659, as well as Trails 3709, 3710, and 3762 were closed.

This rescinds the following Closure Orders: 06-02-13-17-12, 06-02-13-17-13, and 06-02-13-17-14.

For additional information on the Fremont-Winema National Forest, please visit www.fs.usda.gov/fremont-winema or follow the Forest on Twitter @FremontWinemaNF.

WORD SEARCH CONTEST

An Alternative Vacation Spot

Both Sandra Russell and Cathleen Cagle responded correctly to the GREEK ISLAND themed word search contest in the October 15, 2017 issue of DESERT WHISPERS. The missing word was "Skyros." Cathleen Cagle was chosen by random selection as the winner of a free 1 column x 3 inch, black and white ad in a future issue of DESERT WHISPERS. Contact the editor to claim your prize.

Skyros, one of the hundreds of Greek islands, is a popular holiday destination that offers dozens of week-long educational programs to vacationers seeking something

a little different. Listed below are 40 of the various courses offered. Hidden in the letter matrix are 39 of the 40. Which ONE is missing? Send your name and answer to: desertwhispers@yahoo.com or drop it off at the Park and Rec office by November 8, 2017. Names of entrants with correct answers will be printed in the November 15, 2017 DESERT WHISPERS.

One random winner, drawn from all correct answers, wins a free one column x 3 inch, b/w display ad (a \$10 value) in a future issue of DESERT WHISPERS.

Good Luck!

Policy: Animals on Park and Rec Properties

North Lake Park and Rec

North Lake Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on North Lake Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, ect.) all domestic animals, whether pets, livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler. Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property.

Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

Suicide Warning Signs

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious or agitated; behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at 1-800-273-TALK (8255).
