## Help Fill a Local Need: Volunteer Your Time

Submitted

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.<sup>25</sup>

I have been a chiropractor for 15 years and I absolutely love what I do helping patients improve and restore their health and lead a life of wellness. Chiropractic is based on the principal that health and wellness comes from within and spinal problems interfere with this balance.

I was born in Caracas, Venezuela. I received a Bachelor degree in Applied Sciences in Aviation at the University of Louisiana at Monroe. I also graduated from Parker College of Chiropractic, Dallas, Texas, in 2001. I practiced in Australia for 11 years before moving back to the United States and settling in Oregon.

I have a practice in Bend, Oregon and practice on Thursdays at the North Lake Health District

I like to play soccer and other sports, but since moving to this area, hiking and skiing have become a new interest of mine. I am also very interested in yoga.

I have three children, Eros, Mateo and Athena and I have been adjusting them since they were born.

Military Mouse

Military Mouse here looking forward to another exciting WINTER DOLDRUMS ART SHOW which is coming up fast. It is March 2<sup>nd</sup> and 3<sup>rd</sup> just a few short weeks away at the Christmas Valley Community Hall. As always, the artist decides their entry(s) categories which are Art, Craft, Photography, 3-Dimensional, Needle hook and sewing, the very fun Upcycle/recycle, and my personal favorite the Rodent. The Rodent truly is my favorite, but I don't think I will have an entry this year; Miss Barbara helps me and she is very busy right now—but I'm hoping we find time. Each person has an entry fee of \$5.00 and can enter up to three items--the RODENT category is limited to one entry per rodent. 2 or 3 family members can enter a total of three pieces for \$7. Photography entries can be matted but not framed and cannot exceed 11x14 total size.

All categories will be awarded first, second, third, for each age group split out as child up to 11, young adult 12-18, Adult 19 and over. Rodent is judged as a single group and awarded first, second, and third.

Artists may start bringing their entries Friday the 2<sup>nd</sup> at 8:30 am until 10:00. The art show is open to the public at 10:30am to look, see, ooh and aah, and vote; public judging is over at 5:30. Saturday, with awards in place, the hall will be open 10am until 4pm and any items for sale may be bought during this time. Artists cannot pick up their pieces until 4:00pm. Any questions please call Miss Julie at 541-619-1880, or text or call Miss Barbara at 541-306-9607.

## Crater Lake National Park News Release

Crater Lake, OR - Crater Lake National Park is proposing an increase to entrance fees into the park. The single vehicle entrance fee would change from \$15 to \$25 for a seven-day pass. The park's annual pass would increase from \$30 to \$50. The current rate of \$10 per individual and \$10 per motorcycle would increase to \$12 for an individual and \$20 for a motorcycle. The park is proposing this increase begin May 1, 2018.

America the Beautiful Passes, which are honored at all federally managed land units, are not affected by the proposed fee increase and will remain at \$80 for the regular pass, \$80 for the lifetime Senior Pass (\$20 for an annual Senior Pass) and free for the Access and Military passes. Entrance fees are not charged to persons under 16 years of age or holders of any of the passes listed above.

This fee increase is part of a larger National Park Service initiative to standardize fees in similarly sized national parks across the country. The current park entrance fees have been in place at Crater Lake since 2015, when a seven-day pass was increased from \$10 to \$15 per vehicle. Based on feedback received when the new entrance fees were proposed in 2014, the decision was made to phase the increase over time, in part due to delays anticipated to visitors resulting from planned road construction. This increase represents the final phase of aligning the Crater Lake fees with those of similar parks.

"We are committed to keeping the park affordable but we also want to provide visitors with the best possible experience," said Crater Lake National Park Superintendent, Craig Ackerman. "The money from entrance fees is used to support deferred maintenance and a variety of projects that directly benefit park visitors."

The additional revenue from the fee increase will be used to enhance visitor services, including repair and maintenance of park facilities, restoration and rehabilitation of visitor service buildings, implementation of additional park programs, production of interpretive media, and increase of resource protection. Examples of some of the projects undertaken over the last year include trail improvements on the Pumice Flat Trail, Annie Creek Loop Trail, Lady of the Woods Trail, and others; improvements to the Cleetwood Cove Parking Lot; control of invasive plants in popular visitor areas; updates to the park communications system; and, replacement of snow poles along Highway 62. In store for 2018 are several important trail projects including accessibility improvements to the Godfrey Glen Trail, replacement of pavement markings for visitor safety, work towards replacement of the failed bulkhead at Cleetwood Cove and replacement of the historic entrance signs at the western and southern park boundaries.

The park is a strong economic engine for the region and local communities. In 2016, more than 756,343 park visitors contributed \$65.3 million to the local economy and supported 1,101 jobs related to tourism. Previous fee increases have had no negative effect on visitation levels.

A public engagement period on the proposed fee increase is open today, Thursday, February 22, 2018 through Sunday, March 25, 2018. Comments can be emailed by visiting <http://parkplanning.nps.gov/crlafees2018> or written comments can be mailed to Superintendent, Attention: Proposed Fee Increase, P.O. Box 7 Crater Lake, OR 97604. Following receipt and analysis of public feedback, a decision will be made regarding fee changes and timing of implementation.

## March is the time to Celebrate all things Irish Add a Little Green to Meal Planning without Food Dye

By Crystal Coulter

*Grilled Lamb*

Serves: 6-8

## Ingredient list:

2 pints plain yogurt  
1/2 cup olive oil, plus  
more for brushing grill  
1 lemon, zested  
1/2 cup freshly squeezed  
lemon juice

3/4 cup fresh whole rosemary leaves  
2 teaspoons kosher salt  
1 teaspoon freshly ground black pepper  
1 (5-pound) butterflied leg of lamb (9 pounds bone-in)

## Directions:

Combine the yogurt, olive oil, lemon zest and juice, rosemary, salt, and pepper in a large non-reactive bowl (Stainless steel, ceramic, glass). Add the lamb, making sure it is covered with marinade. Marinate in the refrigerator, covered, overnight or for up to 3 days. Bring the lamb to room temperature. Prepare a charcoal or gas grill to a high temperature. Scrape the marinade off the lamb, wipe the meat with paper towels, and season it generously with salt and pepper. Place the leg on a rotisserie or brush the grill with oil to keep the lamb from sticking. Baste the lamb every 15 minutes with Olive Oil. Grill on all sides until the internal temperature is 120 to 125 degrees for rare. This will take 40 minutes to 1 hour, depending on how hot the grill is. Remove the lamb to a cutting board, cover with aluminum foil, and allow to rest for 20 minutes. Then slice and serve.

*Zucchini Potato Cakes*

Serves: 6-8

## Ingredient list:

5 large potatoes  
1 medium green  
zucchini  
2 small onions  
3 large eggs, lightly  
beaten  
1 teaspoon salt  
1/4 teaspoon pepper

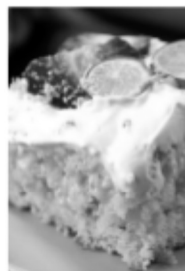

1/4 to 3/4 cups all-purpose flour

## Directions:

Peel and grate potatoes, place in bowl of cold water, set aside.  
Peel and grate onions, set aside.  
Peel and grate zucchini, pat dry and set aside.  
Drain the grated potatoes and pat dry.  
In a large bowl add potatoes, zucchini, onions, salt, pepper, flour, and lightly beaten eggs; mix well.  
Pour 1 inch of oil into a large, deep frying pan. Heat the oil over medium to medium-high heat.  
Carefully drop a large spoon full of the mixture into the hot oil. Flatten the pancake slightly so the center will cook. Fry for several minutes on each side until golden brown and cooked through. Transfer cakes on to a paper towel-lined plate to drain, and continue frying the the remaining batter in batches. If desired serve with applesauce and/or sour cream.

*Lime Poke Cake*

Serves: 12

## Ingredient list:

Cooking spray  
All-purpose flour  
1 box white cake mix, plus  
ingredients called for on box  
1 14-oz. can sweetened  
condensed milk  
1/2 c. heavy cream  
1/3 c. lime juice  
Cool whip

## Directions:

Preheat oven to 350°.  
Grease a 9"-x-13" pan with cooking spray and dust with flour.  
Prepare cake mix according to package instructions.  
Pour batter into prepared pan and bake until a toothpick comes out clean, about 25 minutes. Let cool 10 minutes.  
Make filling in a medium bowl, stir together sweetened condensed milk, heavy cream and lime juice. Poke holes all over cake, pour filling over the cake and spread with a spatula. Refrigerate 1 hour. Top with cool whip and if desired garnish with lime zest and sliced strawberries.

## Policy: Animals on Park and Rec Properties

North Lake Park and Rec

North Lake Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on North Lake Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, etc.) all domestic animals, whether pets, livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler.

***Horses are not allowed on the Golf Course at any time- EVER!***

Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property.

Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

And PLEASE, keep off the Golf Course while the ground is frozen... Especially the greens.

Thank You!

## BACK IN THYME

by Linda McCoslin

### LEMON ESSENTIAL OIL (CITRUS LIMON):

Botanicle family; Rutaceae (citrus)

In history Lemon was used to fight food poisoning, malaria and typhoid epidemics, and scurvy. Sources say that Christopher Columbus carried seeds of the lemon, to America. Lemon has also been used to lower blood pressure and to help with liver problems, arthritis, and muscular aches and pains. The French used it as an air disinfectant, intestinal parasites, red blood cell formation, rheumatism, throat infections, ureter infections, varicose veins, white blood cell formation, and water purification.

This oil may be beneficial for aging, soothing broken capillaries, dissolving cellulite, clarity of thought, debility, digestive problems, energy, gallstones, cleansing the hair, promoting leukocyte formation, liver deficiencies in children, memory improvement, to strengthen and harden nails, nervous conditions, respiratory problems, sore throats, and promoting a sense of well being. It also works as a skin cleanser to brighten a pale, dull complexion by removing dead skin cells. It also makes a very good overall cleaner to remove GUM, Woodstain, oil, and grease spots. Here are a few recipes for cleaners:

Cleansing spray; ¼ tsp. Lavender oil – ¼ tsp. Lemon oil – ½ tsp Tea Tree Oil – 1 tsp. Unscented liquid soap – 15 ounces water – 16 oz. Spray bottle – combine all in bottle – shake till well mixed – spray on surface and wipe with clean damp cloth.

Window Cleaner; 3 tsp. lemon oil – 14 oz. Water – 1 ounce white distilled vinegar – 16 oz. Spray bottle; combine all in bottle till well mixed, spray window and wipe with paper towel or lint free cloth.

Carpet Powder; 72 drops lemon oil or orange sweet oil – ½ cup baking soda – 4 oz. wide mouth jar – combine ingredients in jar – secure lid tightly – shake vigorously till oil and soda are well combined – sprinkle on carpet – allow to sit for at least 15 minutes – vacuum.

The Million Page Challenge is open to people of all ages. Materials read (or listened to) must be owned by a library to count in the challenge so stop in today or download an audiobook or ebook online. The challenge begins February 5 and **ends March 17, 2018**. The library that reaches a million pages first wins bragging rights so turn in your pages early. If no library has reached a million pages by March 17, the library with the most pages read wins. The top 10 readers in Lake County will also receive small prizes.

To join, stop by your local library to pick up a book mark to track your reading – or keep track yourself on any old piece of paper. Books, magazines, newspapers, e-books, and audiobooks checked out from the library all count. Items you purchase yourself do not count. Participants will need to record the title and number of pages they read or listen to. To count audiobook and ebook “pages,” library staff can help you look up the number of pages of a print book of the same title. Pages can be turned in any time at any Lake County Library District location.

Questions about the contest may be directed to Amy Hutchinson, Lake County Library Director, at 541-947-6019.
