The Fort Rock Grange will host a community potluck, October 14th at the Grange Hall.

## Community Potluck at Ft Rock Grange, Oct 14

The autumn breezes are beginning to flicker through the Fort Rock basin. As the haying and farming season winds down, the members of Fort Rock Grange have a community potluck planned for Saturday, October 14th at 6:00pm. It's time for a hearty meal! Bring the whole family and come visit with your neighbors and friends. Drinks and table service will be provided. Bring your favorite dish and see what's new at the Fort Rock Grange Hall. The Fort Rock Grange welcomes everyone. It's a great time to get together!

## 2017 Fire Season Still in Effect in Klamath and Lake Counties

Fire officials in Klamath and Lake Counties would like to remind the public that fire season is still in effect on lands protected by the Oregon Department of Forestry (ODF) Klamath-Lake District. This affects all private, county, state forestlands, and those Bureau of Land Management (BLM) lands under contract and agreement west and east of Highway 97 in Klamath County, respectively.

The North Lake Health District, (NLHD), is looking for ways to expand services to the community. If you've ever said, "I wish we had" or "they should ..." then you may be who we're looking for. We need community-minded volunteer(s) to represent the community at large, attend board meetings and give voice to the needs of our local family, friends and neighbors. The NLHD Board meets monthly to initiate and develop improved health related services for local residents. We invite you to attend Board Meetings, get a feel for what we do and participate in the rewards of supporting improved services in our community.

Meetings are the first Monday of every month from 5:00 to 7:00 p.m. in the west-wing conference room at 87520 Bay Rd, Christmas Valley. For more information contact Kelly McCord @ 541-576-2165

# North Lake School News

At North Lake School, September 25th - 30th was SPIRIT WEEK, filled with dress-up days, class competitions, daily assemblies, and the traditional "sexy leg" contest. The week culminated with North Lake's first ever home Cross Country meet on Friday, Volleyball and Football games on Saturday, and the annual Homecoming Dance on Saturday.

ABOVE: In a class competition relay on Wednesday, students race across the gym to quickly consume three "cream-filled" pastries before racing back to tag a teammate. LEFT: After the race, participants were asked what they thought they ate. As it turns out, some of the pastries were filled with ketchup, mustard, and hot sauce!

Ticket prices for North Lake High School HOME athletic events are as follows:

- Adults..... \$4.00
- Senior Citizens..... \$2.00
- Secondary Students..... \$2.00
- Elementary Students..... \$1.00
- Season Family Pass..... \$100

## Fire Season

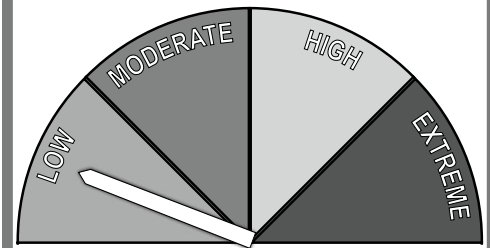

From page 1

“The light moisture and cooler temperatures we received last week didn’t last long as we have warm and dry conditions upon us again to keep us in declared fire season. As hunting season and other fall outdoor activities arrive, please be fire safe and careful at all times,” stated Randall Baley. With Fire Season still in effect, regulations restricting debris burning and forest operations are still in place.

Wildland and structural fire protection agencies in Klamath County have agreed to prohibit all outdoor debris burning as do the agencies in Lake County unless a permit is first obtained. Forest operations that require a Permit to Operate Power Driven Machinery are required to have Fire tools, on-site water supply, and watchman service on privately owned forest land.

**EDITOR’S NOTE:** The above press release is dated September 28, 2017. At press time, the local fire danger warning sign in Christmas Valley indicated “LOW.” Please contact your local fire protection agency for the most current burning restrictions.

Fish Oil is primarily acquired from the fatty tissues of cold-water oily fish, such as salmon, herring, mackerel, anchovies, and sardines.

## Back In Thyme: OMEGA-3 Fish Oil

Linda McCoslin

By special request, I am reporting on OMEGA-3 Fish Oil, which can provide all of the essential fatty acid benefits from fish oil without the fishy taste. Molecularly filtered to remove the fish aroma and sometimes naturally flavored with orange essential oil, it can have a great taste that even children like.

One of the two key OMEGA-3 fatty acids is EPA, or Eicosapentaenoic acid, which is known largely for its anti-inflammatory benefits. Several studies have shown EPA to help relieve people suffering from depression. DHA, or Docosahexaenoic acid, is the other key OMEGA-3 fatty acid. DHA is found high in concentrations in the brain and the retina of the eye, where it is part of several important phospholipids. It has been studied for its ability to help inhibit colon and prostate cancer cells. Taken together in fish oil, there is strong evidence that EPA and DHA can help with high blood pressure and cardiovascular disease, especially in high risk individuals. When they are taken by pregnant women EPA and DHA were found to have beneficial effects on the children, such as reduced allergies and improved neurological development.

Vitamin D, which is a component of some fish oil blends, plays an important role in bone health, strength, and helps modulate hormone secretion and immune system function. Similarly, vitamin E (a potent antioxidant which plays a role in cellular communication), and vitamin C (which provides stability to collagen, helps synthesize neurotransmitters and helps create energy through the breakdown of fatty acids) are often added to fish oil.

Orange essential oils, which can be a flavorful addition to fish oil, aid in digestive system with indigestion and diarrhea.

Orange essential oil contains high levels of d-Limonene, which promotes healthy cellular function.

Companion supplements include: probiotic powder and chewable vitamins.

## Yoga Class is Suitable For Everybody Shawn Lavallee

Our gentle yoga class is designed to settle the mind with breathing techniques, strengthen and open the body by leaving *asanas* (postures) and acknowledging our presence through a short practice of meditation. The class is suitable for all levels as well as varied physical abilities. The use of props assists each student to progress at their own pace.

We begin the first week of October with chair yoga. Our classes are held in the conference room at the North Lake Health District building on Bay Road in Christmas Valley. You may choose an evening class which meets every Tuesday at 5:30 p.m. or a morning class is available, every Wednesday at 9:00 a.m. Each class lasts 75 - 90 minutes, and there is a suggested donation of \$6 per class.

If you have any questions, please feel free to call Shawn at 541-576-2043. **Please note, there will be no yoga classes October 24th or 25th.**

Physical benefits of yoga include: improved strength and muscle tone, greater flexibility, increased energy, improved balance, normalized digestion, reduction of stress, relief from pain, increased bone density, improved cardiovascular health, improved respiratory health, and a strengthened immune system.

Mental benefits of yoga include: reduction of mind tension, increased concentration and awareness, improved ability to "slowdown" with insight, relief from anxiety and stress, the ability to be more mindful and present, and protection against age-related memory loss.

Emotional benefits of yoga include: a reduction of self-judgement, improved self esteem, enhanced positivity, and an ability to find patience.

Spiritual benefits of yoga include: a deeper connection between mind-body-spirit, a sense of unity or "oneness" within yourself, improved ability to calm fluctuations in your thoughts, the ability to discover inner stillness and peace, and an ability to find more compassion for yourself and others.

## WORD SEARCH CONTEST

# A cast of Characters from Greek Mythology

Two locals, Cathleen Cagle and Sandra Russell responded correctly to the ANEMONE themed word search contest in the September 15, 2017 issue of DESERT WHISPERS with "Narcissus Anemone." Cathleen Cagle was chosen by random selection as the winner of a free 1 column x 3 inch, black and white ad in a future issue of DESERT WHISPERS. Contact the editor to claim your prize.

The Narcissus Anemone was named for a hunter in Greek mythology who was known for his beauty. Narcissus is just one of many figures that exist in the epic tales of the ancient Greeks. Listed below are 60

characters from myths of old. Hidden in the letter matrix are 59 of the 60. Which ONE is missing? Send your name and answer to:

[desertwhispers@yahoo.com](mailto:desertwhispers@yahoo.com)

or drop it off at the Park and Rec office by October 6, 2017. Names of entrants with correct answers will be printed in the October 15, 2017 DESERT WHISPERS.

One random winner, drawn from all correct answers, wins a free one column x 3 inch, b/w display ad (a \$10 value) in a future issue of DESERT WHISPERS.

Good Luck!

## FACT:

In ancient cyclops stories, the cyclops is almost always a shepherd, and he is also variously presented as a one-eyed, rock-throwing, cannibalistic giant, who says his name is "nobody", who lives in a cave, whose door is blocked by a large stone, who is a threat to the hero of the story, who is blinded by a hot stake, and whose flock of sheep is stolen by the hero and his men.

## Helena Moving to New Facility "Downtown" CV

Founded in 1957, Helena Chemical Company has grown to be one of the nation's foremost agricultural and specialty formulators and distributors in the United States. Products and services offered include Crop Protection Products, Fertilizer and Fertilizer Application Services, Specialized Nutrients, Seed and Seed Treatments.

Across the country, Helena has over 4,000 employees that work in about 450 locations, including North Lake County. Having served the area for a number of years out of a warehouse at Flowerree Farms east of Christmas Valley, the operation is moving to a more centralized location within the Christmas Valley township.

For more information contact Adam Kirkland at 503-949-6514, Larry Turnbow at 541-480-6819, or Clayton Woreman at 541-419-2875.
